”

“Engagement communicates and encourages ethical stewardship of public funds and public trust”

Our Mission Statement

“To partner with our community to deliver services, conserve resources, protect quality of life, and plan for the future.

Government exists to serve the public; educated public input is critical.”

Planning the 2024 Session

The 2024 fall nine-week session will begin around Labor Day and will be held for 9 weeks.

We typically meet from noon to 2:00 p.m. on Wednesdays. If another time works better for you, please specify.

Session size is limited. First come, first served.

If you're interested, let's learn more about you! Please fill out the response form and return to:
