**MEMBERS PRESENT:** Keith Speirs, Louise Keating, John Campbell, and Dick Deffenbaugh

**MEMBERS ABSENT:** Sandra Hull, Dick Kinder and Susan Bates

**STAFF PRESENT:** Andrew Dutton

**I. MINUTES**

Louise Keating moved, Dick Deffenbaugh seconded, to approve the Minutes of February 12, 2013 as received. Motion carried.

**II. PROJECT REVIEW AND/OR APPROVAL**

**DR-461 (a) and (b). (C-4, Public Square Landmark District). The First Amendment** requesting Board approval in order to: (a) Erect a 13.4-sq. ft., building mounted, externally illuminated sign; and (b) Alter the building by expanding the backing using PVC materials at 150 West Liberty Street.

Kyle Lawrence, owner of The First Amendment, stated the actual lettering to be used was shown in the rendering which was not in color (see file); the dark blue coloring itself would be the same. The background color would be cream.

Mr. Speirs questioned if the sign would be illuminated. Ms. Lawrence indicated the sign would be externally illuminated but how the sign would be illuminated had not yet been determined. Mr. Campbell noted that the Board could not approve lighting until they submitted something for the Board to review. Ms. Lawrence stated that once lighting was determined, they would come back before the Board for that approval.

Dick Deffenbaugh moved, Louise Keating seconded, to approve signage as submitted by The First Amendment at 150 West Liberty Street. Motion carried.

Meeting adjourned at 5:40 p.m.
