The Downtown Pavilion holds a special place in the community, and its original construction was made possible thanks in part to a generous gift of materials from Seaman Corporation. **In Honor of 75 Years of Giving
Seaman Corporation**

Seaman Corporation is a valuable contributor to the vibrant fabric of the Wooster Community.

Among its many philanthropic efforts, Seaman Corporation donated the roof and logo for this pavilion in 2018.

The company's donations later supported the creation of Clear Creek Park in 2021.

Now, in 2024, on Seaman Corporation's 75th Anniversary, this plaque is proudly posted to commemorate the company's longstanding commitment to Wooster's future.
